The Governor  
Risdon Prison Complex  
672 East Derwent Hwy  
Risdon Vale  
TASMANIA 7016

Attention: - Regarding providing special security  
for a prisoner.

Subject: - Martin Bryant.

Dear Mr. Governor

Deputy Governor, Senior  
Prison Officers and other staff, today I am  
writing to you and ask special security for  
prisoner Martin Bryant there, as I fear for his  
safety and his life.

Please find enclosed the following letters  
enclosed I am hereby posting away, NOT to get  
his case re-opened or anything like that or to  
call a Royal Commission or anything of the type.

Sorry to say he will die in jail an innocent person, plain and simple and there is no hope at even trying to get his case re-opened the Tasmanian Government just wont allow it to happen.

But that said - I am hereby trying to go after some of the real perpetrators behind carrying out these attacks at Port Arthur Massacre in 1996 where Martin Bryant was set up as the patsy.

22 years after this “False Flag Terrorist Attack” took place there is heaps of evidence and proof that Martin Bryant is innocent of this crime – come on look at him you people have looked after him for 22 years – this big dummy couldn’t hit a cow on the back side even standing in front of it.

Please also it my pleasure – find enclosed the following CD with the following two books on it.

- 1) The OzBoy File - The Truth About Port Arthur Massacre Part 2
- 2) The OzBoy Files - The Truth About Port Arthur Massacre Part 4

Collectively there is enough evidence within these two books I have written and complied together to prove Martin Bryant is innocent of this crime, but don't take my word for it, read the books yourself and make up your own minds there.

Pass the CD along to your Deputy Governor and also Senior Prison Guards to read and after reading it you also will be a convert that he is innocent of the crime which the Police set him up for as the patsy.

The books are written in PDF Format, your computer there should be able to open them easy for reading & printing off.

Still don't believe he is innocent then just ask yourself the question after reading my letter to Duncan Lewis Director of ASIO in Canberra ACT.

If Martin Bryant was the lone crazy killer gunman why were all those ASIO Agents and ASIO stand in crisis actors in the Café` at the same time and place as what a Massacre was taking place??????

Anyway I have Officially made contact with you and your staff, and brought my concerns before you there, I hope nothing happens to him while under your care at the prison, as for some of those nit wit prisoners in the general population that think he is guilty of this crime, let it be known that if any of them want evidence that he is innocent they can write to me here or send me an email and I will answer any of their questions to the best I can.

Thank you for listening.
